RE: Peter McKoughlin

Dear Tom Zachary Scholarship Committee:

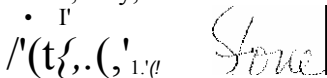

I am pleased to inform you that Peter McKoughlin is the recipient of the Tom Zachary Scholarship. Peter is an excellent student who is dedicated to succeeding in his community.

Peter is currently a member of the Roswell Rotary Club. During his time at the club, he has led our meetings and participated in several community projects. He attended Interact Day in the fall and will present his accomplishments at the Spring Interact Day. He attended RYLA and shared his experiences with the RSH Internet Club. He has actively participated in Interact all four years of high school.

Peter has also participated in Track & Field, Basketball and Orelwstraw while in High School. He has worked at several jobs and volunteered in his community and at church.

As the Roswell Rotary Liaison, I have worked with Peter over the last four years. I combine academic excellence with leadership skills and a dedication to service. He is deserving of the Tom Zachary Scholarship!

Sincerely,

Rebecca Stone

As a freshman walking around at a club fair, the signs and mottos thrown at you can be intimidating, but when I came across the Interact Club's small booth, a tiny sign read out "Service above Self." These three small words immediately struck a chord for me. Being an avid churchgoer and having the opportunity to serve in an international medical mission trip to Guatemala, service above self was already a big part of my life that I was craving to do more, and the Roswell High Interact Club gave me an ample opportunity to do so. I then joined the club and quickly became involved, even becoming an officer by the end of my freshman year. By my sophomore year I was determined to live out the motto more. That year for Interact I skipped watching football games to hand out Be the Voice stickers or collect money for the End Polio International and had the opportunity to be a guest speaker at the cottage school to talk about the End it movement. The next year I continued my involvement and service as I became the class president, and that summer, I was blessed to have Interact send me off to the RYLA summer conference where I was reminded and shown what it truly means to put service above one's self. Thanks to Rotary I have been able to shape my life around this simple three word motto as now I can proudly say that I am the current president of the Interact Club at Roswell and an unpaid intern at Fellowship Bible Church, and in a week for my spring break I will have the chance to truly live this motto out as I am going to Cuba for a mission trip. I plan to continue the rest of my life with this motto and mind and hope that I too, like all the great rotarians before me, can inspire others to live a life that reveals Service above Self.
